

**OUR DOCTORS**

**Dr Marcus Ong**  
**MBBS, RACS**  
*General Surgeon*

Dr Ong is a Western Australian trained specialist surgeon who was raised in the northern suburbs of Perth, studying Medicine at the University of Western Australia. He completed his Fellowship in General Surgery with the Royal Australian College of Surgeons in 2009.

Dr Ong is extensively trained and experienced in oncoplastic and reconstructive breast surgery in Australia, Europe, and the United Kingdom. Having worked at the Royal Free Hospital and the Harley Street Clinic in London between 2010 and 2012, Dr Ong completed his Fellowship, returning to Australia with his young family, joining the Surgical Department in Bunbury, Western Australia.

Bunbury Day Hospital is the home of Western Breast Clinic for your breast augmentation procedures.

General and laparoscopic surgery services, with a particular interest in the gallbladder, thyroid and parathyroid surgery and hernia repairs in addition to endoscopy (gastroscopy and colonoscopy) services are also available to clients.

Teaching medical students and surgical registrars is a passion for Dr Ong who was recently awarded the "Excellence in Surgical Teaching Award for Best Surgical Teacher in Western Australia, 2016".

With Dr Ong's extensive experience, he specialises in breast conserving cancer surgery and reconstruction for breast cancer patients.
