

OUR DOCTORS

Dr Richard Benny

General Surgeon

Dr Benny is a general surgeon with an interest in laparoscopic surgery including laparoscopic hernia and bowel surgery.

Dr Benny grew up and attended medical school in Papua New Guinea graduating in 1994. He has worked as a surgical specialist in Papua New Guinea and later in Australia, obtaining FRACS in general surgery in 2010. He did a fellowship in rural surgery in Northern Territory and later in Wagga Wagga. He worked in Toowoomba Base Hospital for 3 years as a general surgeon before moving to Bunbury in 2017.

Dr Benny is a member of the RACS, GESA and GSA. Being trained in rural surgery needs he can offer a wide range of general surgery surgical services.
