

OUR DOCTORS

Dr Paul Crow
RACS, MD, AMC, MBBS
Urologist

Paul studied medicine at the University of Bristol (UK) and undertook a Research Doctorate prior to completing his specialist training as a Urological Surgeon in 2009.

Having married a Margaret River girl, he relocated to WA in 2009 and now lives in Bunbury with his wife and two children. He provides regular outreach clinics in Margaret River and Busselton.

He offers a full male and female urological service including;

- Intervention for prostate, bladder and kidney cancer.
- Kidney stones.
- Prostatic enlargement.

Paul performs vasectomy and minor urological day procedures at Bunbury Day Hospital.
